Stephanie Steif

9630 Sheffield

This question is for the TC as the police, fire chief and Clerk-Treasure have already been open and vocal about what they are doing. What is the plan for St John to reopen town businesses when Governor Holcomb gives the order. How does the TC plan to enforce the orders for social distancing and limitations on the number of people allowed to be in restaurants and stores.

Hello Beth,
Can you please ask the board members if they can change the law on backyard chickens? We have a half acre.
Thanks!

The town manager responded to a facebook post on April 21, 2020. Is this his town facebook page? If so is it allowable to be set as a private page? If so that is not transparency.

I asked our town clerk why we don't get a reduction in refuse collection, water and sewer during this Pandemic. Republic has cut back on collection so our fee should be cut back (only fair). The town could use funding to lower residents portions of the water & sewer fees during these times of some people at home and out of work. Beth said she would take it to the town council. I have heard nothing back. Beth what did they say?
